PROFILE

A highly motivated and detail-oriented professional with a passion for excellence and a strong commitment to achieving organizational goals. I bring a blend of technical skills, creative thinking, and a collaborative spirit to every task I undertake. With a proven ability to adapt quickly, solve problems effectively, and communicate clearly, I strive to make a meaningful impact in every role I hold. Eager to contribute my experience, energy, and enthusiasm to a dynamic team where I can continue to learn and grow while adding value to the company.

WORK EXPERIENCE

Freelance Web Developer

Self-Employed   2022 - PRESENT

- Currently working as a freelance web developer, creating user-friendly and responsive websites for a variety of clients. I manage projects from initial consultation to final delivery, focusing on clean design, smooth functionality, and client satisfaction. My work includes everything from website planning and development to ongoing support and improvements.
